2018 District Grant Completeness Checklist

Project No:	Project Title: <i>MORE Education Project</i>		
<p>To ensure the district grant application is complete, the following form is required to be completed. Failure to submit this form will result in the grant application being categorized as "incomplete". Only if you can answer Yes or Not Applicable to all the questions on the form is the grant application complete and ready for submission. This Checklist must be signed and dated by the authorized official submitting the application as the signature is an affirmative attestation in regard to the requirements set forth at Section 2. Miscellaneous Items on the 2018 District Grant Application Profile Form.</p>			
Description	Application Page #	Initials of Applicant	District Verification
WORKSHEETS			
Performance Measures Worksheet Total Diversion Estimated from Project is completed. See Exhibit 4.		<i>ay</i>	
Budget Worksheet is completed, match is included to meet the requirements and worksheet is mathematically accurate. See Exhibit 6.		<i>ay</i>	
FORMS			
2018 Grant Application Profile Form. All items on the form are completed or marked not applicable. See Exhibit 5.		<i>ay</i>	
District Subgrantee or Plan Implementation Budget Form. All items are completed and the form is mathematically accurate. See Exhibit 7.		<i>ay</i>	
SUPPORTING DOCUMENTATION

2018 District Grant Completeness Checklist

Description	Application Page #	Initials of Applicant	District Verification
Information required for Projects totaling \$50,000.00 or more.		ay	
A. Demonstrate technical feasibility by submitting:		ay	
1.) A preliminary project design; or		ay	
2.) Engineering plans and/or specifications for any facilities/equipment.			
B. Financial report including			
1) A three (3) year business plan. For projects involving recycling and reuse technologies, the plan shall include a market analysis with information demonstrating that the applicant has secured the supply of and demand for the recovered material and recycled products necessary for sustained business activity.		ay	
2) A description of project financing, including projected revenue from the project.			
3) A credit history.			
4) Up to three (3) years previous financial statements or reports.			
CHECKLIST			
2018 District Grant Application Checklist is present, signed and dated.		ay	
MANDATORY GRANT TRAINING			
Grant applicant or representative attended training per sign-in sheet.	District	District	
GRANT APPLICATION PACKAGE			
Grant application package was received by 4:00 p.m. on April 9, 2018. Package was sealed and appropriately marked "Grant Application Enclosed".	District	District	
Grant application package contains one (1) original and two (2) copies signed and dated.		ay	
Proof paper used for grant application submittal is 30% or more recycled content.		ay	
District Grant Application Checklist is included in grant application package and is signed and dated by authorized official.		ay	

I certify that all information in this application is accurate and complete, and that I am authorized by my organization to submit this application.

Signed: Alyse Schmitt

Date: 4/6/2018

Title: Executive Director

②

Ms. Recycling Association

Use the following worksheet to help you develop your estimate for the waste diversion to be reported for the life of the grant project. Once the project is fully operational, twelve full months of diversion reporting is required and you may be reporting diversion for a partial month(s).

Type of Waste Diverted	Total Tonnage for Life of Grant Project	Type of Waste Diverted	Total Tonnage for Life of Grant Project	Type of Waste Diverted	Total Tonnage for Life of Grant Project	Type of Waste Diverted	Total Tonnage for Life of Grant Project
Cardboard		Other Paper		Clear Glass		Other Glass	
Newspaper				Brown Glass			
Magazines				Green Glass			
Office Paper				Fluorescent Bulbs/Tubes			
Mixed Paper

Since 1993 the mission and goals of the Missouri Recycling Association (MORA) has been to educate Missourians, promote environmental sustainability, and increase employment opportunities through waste reduction and recycling. MORA supports these efforts by providing information, education, and technical support in partnership with local, state, and national organizations to individuals, businesses, organizations, government agencies, and universities. MORA also provides a forum for sharing information through workshops, meetings, presentations, and an annual conference. Members cooperate on a regional level to share experiences

West Central Missouri Solid Waste Management District - Region F
FY 2019 Grant Application Profile Form

Project No:	Project Title: MORA Education Project
1. Executive Summary: (Include specific information about the project as well as how the project is Beneficial, who it benefits and the evaluation methods used to quantitatively and qualitatively measure success of the project. Answer within the space provided.)	
<p>The mission of the Missouri Recycling Association (MORA, non-profit organization) is to lead Missourians toward environmental sustainability through waste reduction and recycling. MORA has served the Missouri recycling and waste diversion community since 1983. MORA supports these efforts by providing information, education, and technical support in partnership with local, state, and national organizations to individuals, businesses, organizations, government agencies, and universities. MORA also provides a forum for sharing information through workshops, meetings, presentations, and an annual conference. Members cooperate on a regional level to share experiences and encourage market development for recovered materials.</p>	
<p>The current Missouri waste diversion goal of 40% was set in 1990 and met in 2009. MORA played a significant role in meeting that goal through training, education, and policy development. Communities throughout Missouri are venturing toward more aggressive diversion targets to capture higher volumes of fiber, food waste, plastics, electronics, metals, and construction and demolition (C&D) wastes. However, in order to successfully achieve those targets, more education, training, and policy development is necessary.</p>	
<p>In 2013, the MORA membership passed a resolution to move the state of Missouri toward a 75% waste diversion goal, known as the "Strive for 75" campaign. Such a goal would not only keep Missouri competitive with other states, but also stimulate innovation, research, new manufacturing, markets for recovered resources, and new jobs. An emphasis of this campaign is to focus on increased diversion of fiber, food waste, plastics, and electronics, metals, and C&D wastes through waste reduction and reuse. A second objective is to highlight market development with special concentration toward the five hard to recycle commodities on which the "Strive for 75" campaign is focused.</p>	
<p>The Missouri Department of Natural Resources 2016-2017 Waste Diversion Study results identified Organics reaching 17.4 % of major waste found in landfills. Therefore, we plan to incorporate educational opportunities about how to recycle food waste at all our venues. MORA will be highlighting Food Waste and Organics recycling at our 2018 and 2019 conferences, e-messages, newsletters, and promotional campaigns. We are developing educational materials that will focus on these topics and will be presented at conferences, meetings, civic gatherings, and in mailings.</p>	
<p>MORA's "Strive for 75" diversion targets many hard to recycle materials that are on the Region F and the State of Missouri targeted materials list such as Construction and Demolition debris, Organics, and e-scrap while also targeting Textiles, and Paint.</p>	
<p>Our website, www.mora.org, provides information for all visitors about new recycling opportunities for batteries, plastics, pharmaceuticals, tires and glass, just to name a few. Education regarding all commodities is one of the primary focuses of our mission to ensure Missouri citizens have the most up-to-date information for their communities benefiting their regions for long term sustainability.</p>	

West Central Missouri Solid Waste Management District - Region F
2018 Grant Application Profile Form

Project No:	Project Title: MORA Education Project
-------------	--

1. Executive Summary (Continued)

MORA will implement a variety of survey methods to gain information about increased diversion rates across the state, such as word of mouth campaigns and networking relationships, as well as our on-line presence at www.mora.org, Face Book and Twitter. Our annual conference develops and distributes session and conference surveys focused on information delivered by speakers, tracking how that information will be used and disseminated. MORA staff will follow up and compile the survey results to create an overview of what tactics and strategies attendees will implement and their proposed rate of success. Through conversations, networking, and additional venues we will be able to gain a perspective on the current diversion rate and materials as well as future plans.

Our initiatives have have positively impacted employment opportunities in the recycling industry, promoted marketing of recycled materials and goods, enhanced communities by supporting sustainable practices at home and on the job. This effort has been done with partners across the state ranging from Solid Waste Management districts, businesses, individuals, government agencies, colleges and universities, and not-for-profit organizations.

Educational promotional pieces targeting the hard-to-recycle items delineated in MORA's 75% waste diversion campaign will be distributed at the State Fair, the annual MORA Conference, and other solid waste events. They will be included in our membership packets, and to government agencies and stakeholders. The 75% campaign always includes the most relevant, up-to-date information for dissemination for Missouri residents and businesses.

We are submitting a three-part funding request to assist MORA in continued delivery and promotion of the "Strive for 75" campaign. This application contains, Part 1) Bill boards with Recycling message; Part 2) Creation of new banners focused on Food Waste and Organics recycling; and Part 3) Funding for the MORA booth at the 2019 State Fair in Sedalia. A full explanation of all three parts is included in budget pages of this application

2. Miscellaneous Items

A. By signing and dating below, the official authorized to sign for the grant applicant attests that all applicable federal, state and local permits, approvals, licenses or waivers necessary to implement the project are either not needed or have been obtained or applied for and will be obtained prior to award.

B. By signing and dating below, the official authorized to sign for the grant applicant attests that this project is in compliance with local zoning ordinances.

6

West Central Missouri Solid Waste Management District - Region F
2018 Grant Application Profile Form

3. Physical Location of Project: Missouri Recycling Association	
Address Line 1:	P.O. Box 2144, Jefferson City, MO 65201
Address Line 2:	332 Elmwood Circle
City:	New Bloomfield
State:	MO
Zip Code:	65053
4. Work Plan: Identify project task as task 1, task 2, etc. and provide an explanation of each.	
<p>Task 1: Sign Financial Assistance Agreement: The Executive Director will appear as required at the Region F office to sign the Financial Assistance Agreement and answer any questions as necessary.</p>	
<p>Task 2: Explore banner companies, select banner company, and discuss layouts for banners: MORA will explore several companies qualified to do the work on the proposed Organics and Food Waste banners.</p>	
<p>Task 3: Commit to banner production: We will select a company that will be able to produce the quality of work we desire in a timely manner and for a price that fits within our budget proposal.</p>	
<p>Task 4: Commit to state fair for 1 booth rental: MORA will confirm our commitment to rent 1 booth at the 2019 Missouri State Fair in Sedalia in April 2019.</p>	
<p>Task 5: Explore billboard placement and message: MORA will explore the options we have put forward in the executive summary to continue displaying a roadside recycling billboard message.</p>	
<p>Task 6: Commit to billboard placement and message: Once locations and prices are confirmed, as stipulated in our billboard proposal, MORA will confirm that commitment June 2019</p>	
<p>Task 7: Submit Quarterly reports: The Executive Director will ensure timely quarterly reporting and open communication with the grant administrator should something change in the anticipated schedule.</p>	
<p>Task 8: Submit Final Report: The Executive Director will submit a final report to the grant administrator at the completion of the project.</p>	

West Central Missouri Solid Waste Management District - Region F
2018 Grant Application Profile Form

5. Key Personnel and Qualifications: Resumes may be attached or provide below a description of qualifications of key personnel assigned to the project especially the project manager.

Angie Gehlert has been MORA Executive Director for more that 13 years and served on the board for many years prior to taking the lead posltion. She has successfully steered the organization through the design, development, and implementation of several educational campalgns and publications to reduce waste and increase recycling in Missouri. Ms. Gehlert is intricately involved with the proposed projects.

In addition to her administrative duties and overseeing three part-time staffers, Ms. Gehlert is responsible for MORA budgeting, maintalning and growing MORA membership, tracking proposed legislation, assisting with the implementation of recycling operations across the state and planning MORA's annual conference.

See Ms. Gehlert's resume In Attachments

2018 Grant Application Profile Form

7. Budget Detail Narrative: For Cost Categories having line items with cost of \$3,000.00 or more, provide a brief explanation of why the item is needed and the methodology used for estimating the cost.

MORA is submitting a 3-part funding request.

1) Billboards: Currently MORA has two bulletin boards with recycling messages, one on I-70 and 1 on Highway 50. Research has shown that in order to retain motorists awareness billboard message or location should be altered on a routine basis. This grant application proposes examination of current billboard locations and size as well as development of a new message focused on Organics recycling. We are submitting an amount of \$8186.00 to either extend the current contract with Lamar Advertising, or a) replace the message on the two current boards, or b) move to new locations or c) eliminate both small boards and develop a much larger board where the best traffic patterns insure most visibility (see attachments from outdoor advertising companies regarding potential costs and locations as well as a map provided by MODOT showing billboard locations.

Prices for 1 medium highway billboard, in Region F, ranges from \$177-\$3000 per board, whereas junior Posters, small billboards average \$300-\$800 monthly. We offer several options included as attachments with this application. The locations selected reflect the prices stated. See attachments included by Lamar Outdoor Advertising that support \$700.00 for a poster-size billboard in Marshall Missouri on I-70; \$450 - \$1000 or \$450-\$900 for a 4 week period near Warrensburg on I-70.

2) Our second request is to develop four new banners (see one quote included with this proposal under attachments) that focuses on Organics recycling. We plan to utilize these banners at our State Fair booth as well as all venues where MORA has a presence. We are including 3 companies' bids for this project. Project cost - \$2225.49 grant request plus \$392.74 matching funds = \$2618.23

3) Our third request is funding for a booth at the State Fair in Sedalia. We have been exhibiting there for several years and look forward to coordinating our displays with Region F in this endeavor. The attendance at the fair in 2017 reached a milestone record of 1,997,320. At this time we cannot project 2018 attendance, with fuel prices being historically low, 2018's attendance should exceed past turnouts. If feasible we would like to partner with Region F for more combined exposure and supplemental recycling education opportunities.

Our funding request is based on the 2018 single booth rental rate in the Exhibition Center of \$810.00 and special event insurance of \$70.00 totaling \$880.00. Entry tickets and parking for 10 days x 2 volunteers of \$160.00 for entry and \$100.00 for parking, totaling \$260.00. Total 2019 State Fair funding request is \$1190.00 (see State Fair pricing attachment).

Missouri Recycling Association Board Meeting Minutes – Wednesday, February 7, 2018

Canterbury Hill Winery and Restaurant, 1707 S Summit Dr., Holts Summit, MO, 65043

Present: Ruth Anne Parrott, Linda Adams, Ann Hamilton, Cassandra Ford, Jennifer Mackey, Mary Patterson, Dan Imlig, Trinke Ann Vaughan, John Davis, Jill Hollowell, Ben Kreitner

Staff: Angie Gehlert, John Kraft

Visitors: Steven Herring (Republic Services)

Absent: Bill Guinther

Welcome/Approval of the Agenda – Linda Adams

Linda called the meeting to order at 1:02 p.m. Ann Hamilton moved to approve the agenda, Ruth Anne Parrot seconded and all approved.

Approval of Meeting Minutes – Cassandra Ford

Dan Imlig made a motion to approve the board meeting minutes of December 21, 2017. John Davis seconded and all approved.

Reaffirm approval of 2018 Budget via electronic vote

Ann Hamilton moved to reaffirm the approval of the 2018 Budget which took place via electronic vote, Mary Patterson seconded and all affirmed.

Committee Reports – Reports from Staff/Committee Chairs distributed via email

75% Diversion/Education – Mary Patterson

Marketing – Jennifer Mackey/Jill Hollowell

Conference – Angie Gehlert/Cassandra Ford

Legislative – Bill Guinther/John Davis

Membership/Membership Forum – Ruth Anne Parrott/Dan Imlig

Administrative Report – Angie Gehlert

Angie Gehlert provided a written report by email along with the agenda.

Seek Board approval for submission of District J Grant Application – 2018 Sheltered Workshop Scholarship Application

Dan Imlig made a motion to approve submission of the District J grant. Ann Hamilton seconded and all approved.

Seek Board approval for submission of District F Grant Application

Mary Patterson made a motion to approve submission of the District F grant. John Davis seconded and all approved with Ruth Anne Parrott abstaining.

Old Business

2018 Resource Recycling Conference -- Angie Gehlert

Seek Board Approval to sign MOU for Resource Recycling Conference (with correction/suggestions) - The Board agreed to delay this for an electronic vote pending Jerry Powell's acceptance of the MOU changes.

Scrap Tire Education Money -- Angie Gehlert/Ruth Anne Parrot

MORA will wait to see what MDNR wants (funding ideas, RFP, etc.) before drafting any documents.

New Business

MORA Day at the Capitol -- Jill Hollowell/Linda Adams

The Board discussed some ways to be more present at the Capitol and to lay groundwork for the joint interim committee reboot.

MDNR Conference Content Request -- Jill Hollowell

MDNR requested that MORA present on one of their targeted materials. John Davis with LEDR agreed to present regarding C & D waste and recycling.

Next Meeting:

February 16 -- Conference Planning Meeting

March 15 - MORA Board Meeting

Adjourn:

With no further business to discuss, John Davis made a motion to adjourn at 2:06 p.m. Dan Imig seconded and all approved.

EXHIBIT 2, continued

BOX B - CURRENT BUSINESS ENTITY STATUS

I certify that Missouri Recycling Association (Business Entity Name) **MEETS** the definition of a business entity as defined in section 285.525, RSMo, pertaining to section 285.530.

Angie Gehlert	
Authorized Business Entity Representative's Name (Please Print)	Authorized Business Entity Representative's Signature
Missouri Recycling Association	4/6/2018
Business Entity Name	Date
Angie@mora.org	
E-Mail Address	

As a business entity, the bidder/contractor must perform/provide each of the following. The bidder/contractor should check each to verify completion/submission of all of the following:

- Enroll and participate in the E-Verify federal work authorization program (Website: http://www.dhs.gov/files/programs/gc_1185221678150.shtm; Phone: 888-464-4218; Email: e-verify@dhs.gov) with respect to the employees hired after enrollment in the program who are proposed to work in connection with the services required herein; AND
- Provide documentation affirming said company's/individual's enrollment and participation in the E-Verify federal work authorization program. Documentation shall include EITHER the E-Verify Employment Eligibility Verification page listing the bidder's/contractor's name and company ID OR a page from the E-Verify Memorandum of Understanding (MOU) listing the bidder's/contractor's name and the MOU signature page completed and signed, at minimum, by the bidder/contractor and the Department of Homeland Security - Verification Division. If the signature page of the MOU lists the bidder's/contractor's name and company ID, then no additional pages of the MOU must be submitted; AND
- Submit a completed, notarized Affidavit of Work Authorization provided on the next page of this Exhibit.

EXHIBIT A, continued

AFFIDAVIT OF WORK AUTHORIZATION:

The contractor who meets the section 285.525, RSMo definition of a business entity must complete and return the following Affidavit of Work Authorization.

Comes now Angela Gehlert
(Name of Business Entity Authorized Representative)

as Executive Director
(Position/Title)

first being duly sworn on my oath, affirm Missouri Recycling Association
(Business Entity Name)

is enrolled and will continue to participate in the E-Verify federal work authorization program with respect to employees hired after enrollment in the program who are proposed to work in connection with the services related to contract(s) with the State of Missouri for the duration of the contract(s), if awarded in accordance with subsection 2 of section 285.530, RSMo. I also affirm that

Missouri Recycling Association
(Business Entity Name)

does not and will not knowingly employ a person who is an unauthorized alien in connection with the contracted services provided under the contract(s) for the duration of the contract(s), if awarded.

In Affirmation thereof, the facts stated above are true and correct. (The undersigned understands that false statements made in this filing are subject to the penalties provided under section 575.040, RSMo.)

You

Hello How Ann,

Our servers and internet are down right now so I'm responding from my phone.

~~_____~~ys. May not be able to send until late today or Monday.

Graphic in that section of the bid is the printed fabric banner that assembles with the hardware. The images would be part of Dakota County art or graphics....I see how that would be confusing.

Todd

Sent from my HTC One on the Verizon Wireless 4G LTE network

Request for Taxpayer Identification Number and Certification

Give Form to the requester. Do not send to the IRS.

Print or type
 See Specific Instructions on page 2.

Name (as shown on your income tax return)
Missouri Recycling Association

Business name/disregarded entity name, if different from above

Check appropriate box for federal tax classification (required):
 Individual/sole proprietor C Corporation S Corporation Partnership Trust/estate
 Limited liability company. Enter the tax classification (D=C corporation, S=S corporation, P=partnership) ▶ _____ Exempt payee
 Other (see instructions) ▶ **501 c 3**

Address (number, street, and apt. or suite no.)
PO Box 2144

City, state, and ZIP code
Jefferson City, MO 65102

List account number(s) here (optional)

Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on the "Name" line to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Social security number

			-			-		
--	--	--	---	--	--	---	--	--

Employer identification number

4	3	-	1	5	2	6	1	7	9
---	---	---	---	---	---	---	---	---	---

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here Signature of U.S. person ▶ Angela Schleit Date ▶ 1/9/2018

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

JEFFERSON CITY, MO 65102-0144

Dear Applicant:

Our letter dated October 15, 1995, stated you would be exempt from Federal income tax under section 501(c)(13) of the Internal Revenue Code, and you would be treated as a public charity, rather than as a private foundation, during an advance ruling period.

Based on the information you submitted, you are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(13) of the Code.

Based on the information you submitted, our letter dated 1994 in which you were presumed to be a private foundation is hereby superseded. You are classified as a public charity under the Code section listed in the heading of this letter. Since your exempt status was not under consideration, you continue to be classified as an organization exempt from Federal income tax under section 501(c)(13) of the Code.

Publication 597, Tax-Exempt Status for Your Organization, provides detailed information about your rights and responsibilities as an exempt organization. You may request a copy by calling the toll-free number for forms, 1-800-829-3076. Information is also available on our Internet Web site at www.irs.gov.

If you have general questions about exempt organizations, please call our toll-free number shown in the heading between 8:00 a.m. and 6:00 p.m. Eastern time.

Please keep this letter in your permanent records.

Letter 1052 (08-00)

State of Missouri

LIMITED EXEMPTION FROM MISSOURI SALES AND USE TAX ON PURCHASES AND SALES (C74)

Issued to:

Missouri Tax I.D.: 1572481

MISSOURI RECYCLING ASSOCIATION
382 ELMWOOD CIR
NEW BLOOMFIELD MO 64578

Effective Date: 12/01/2014

Your application for sales and use tax exempt status has been approved pursuant to Section 144.030.2(21), RSMo. This letter is issued as documentation of your organization's exempt status. Your organization must adhere to all requirements of your exempt status.

This is a continuing exemption subject to legislative changes and review by the Director of Revenue. Detailed notice and specific requirements regarding this exemption are summarized and included as a complete recitation of the law. You should review the law to ensure your understanding and compliance.

- This exemption is not applicable to the sale of real property. This exemption from sales and use taxes does not constitute an exemption from real property tax.
- Purchases by your organization are not subject to sales or use tax if conducted within the organization's exempt district or other exempt jurisdiction. When purchasing within an exemption, furnish all seller's certificates with a copy of this letter.
- Individuals making personal purchases may not use this exemption.
- Agents or contractors may not claim the organization's exemption for purchases made by or for construction projects. If you have a contract with your organization involving sales and use tax on all sales, purchases of construction materials that are already billed to your organization they are purchased exempt from sales tax.
- Sales by your organization are not subject to sales or use tax if conducted within your organization for exempt civic or charitable functions and activities.
- Sales and services related to your exempt function that are made only to raise funds for your organization are not exempt unless such sales are occasional or limited sales.
- If your organization is organized as a corporation, partnership, trust, or other device for the general public, even if the profits are used for purposes of your exempt function, you must obtain a Missouri Retail Sales Tax License and collect and remit sales tax.
- Any alteration to this exemption letter renders it invalid.

If you have any questions regarding the use of this letter, please contact the Taxation Division, P.O. Box 366, Jefferson City, Missouri 65105-0366. Email salesanduseexemptions@dox.missouri.gov, or call 873-751-8888.

Work Experience

Missouri Recycling Association (MORA)
Executive Director

Jan. 2006 – Present

City of Columbia, P.O. Box 6015, Columbia, Mo. 65205
Waste Minimization Coordinator, Public Works/Solid Waste Division

Sept. 2003-Jan. 2006

I was responsible for expanding and promoting Columbia's recycling programs including: curbside collection of mixed containers, fiber materials, and yard waste; drop-off program; apartment recycling program; convenience store recycling program; and the City's new commercial recycling program. I also conducted waste audits for local businesses/industries. I supervised two employees whose primary mission was to educate the public on the programs mentioned above, and oversaw the Public Works Volunteer Program, coordinated compost workshops, adopt-a-spot programs and other misc. tasks. In addition, I wrote grants for the Solid Waste Division and monitored collection routes to assess efficiency.

State of Missouri, P.O. Box 809, Jefferson City, Mo. 65102
State Recycling Coordinator
Office of Administration/Div. of Purchasing

July 1990–Sept. 2003
Oct. 96–Sept. 03

I was responsible for administering and promoting recycling and sustainability programs to all state facilities and employees. This included conducting recycling workshops, promoting recycling collection, waste reduction, and procurement of environmentally preferable products or services. I was also responsible for approving and administering all state agency contracts for recycling services. I worked with the Mo. Department of Corrections to establish composting programs to deal with food waste at Missouri's 22 institutions. I also worked with the Division of Purchasing and Facilities Management to improve statewide contracts, encouraging more recycled products, less energy usage, etc. I worked with Facilities Management on "The Big Turn Off" campaign, aimed to decrease energy consumption at all office buildings. I submitted an annual report to the Mo. State Legislature on the state's recycling activities, accomplishments, and goals pursuant to Chapter 34.031 and 34.032 of the Revised Mo. State Statutes.

Eligibility and Compliance Specialist
Mo. State Agency for Surplus Property

July 90–Oct. 96

I was responsible for determining eligibility and compliance of all persons acquiring property through the Federal and State Surplus Property Programs. This required a thorough knowledge of all state and federal regulations applicable to these programs. I assisted eligible participants (i.e. city & county governments, schools, state agencies, and certain not-for-profit agencies) with completing application forms, providing necessary documentation and assisting them with the submission of state and federal reports associated

with the property acquired through the program. I worked cooperatively with the GSA and participants on non-compliance issues. I also promoted the programs and available equipment by speaking/exhibiting at the Mo. Municipal League conference, County Commissioners Conference, School Superintendent's Conference, etc.

Memberships/Associations

Board Member, Mo. Scrap Tire Advisory Group
Advisory Committee Member, Mid Missouri Solid Waste Management District
Missouri Recycling Association (MORA)
National Recycling Coalition (NRC)
Keep America Beautiful (KAB)
Society of Government Meeting Professionals (SGMP)
Member of the Western Cherokee Nation of Arkansas and Missouri
Founding Member of the New Bloomfield Area Civic Association

Accomplishments

2014 Individual Supporter Award from the Mid America Regional Council SWMD
MORA 2003 Recycler of the Year Award
White House Task Force on Recycling, 2000
Nominee for Governor's Award for Quality and Productivity, 1998
Office of Administration, Employee of the Month, 1998
OA/Div. of Purchasing & Materials Management, Employee of the Quarter, 1998 & 1995

Attendee Survey

2018 MORA Recycling Conference

Ozark Rivers Solid Waste Management District

Serving Crawford, Dent, Gasconade, Meriame, Phelps, Pulaski and Washington counties

April 4, 2018

West Central Missouri Solid Waste Management District
802 S. Gordon St.
P.O. Box 123
Concordia, MO 64020

Deaf Grant Review Committee:

The Ozark Rivers Solid Waste Management District (OR) is writing in support of the Missouri Recycling Association's need for funding to support 75% diversion messaging on billboards and their booth presence at the 2019 Missouri State Fair. Additionally, funding would be used for the printing of a unique food waste reduction display that may be used at high profile events such as the Missouri State Fair, the MORA conferences, America Recycles Day and Earth Day.

MORA is an organization that provides value by connecting people, offering industry insights, and influencing policy to support our economy and businesses in extracting the highest and best use of materials at end of life.

The Ozark Rivers Solid Waste Management District supports MORA's request for funding to increase their statewide presence and guide Missouri in finding a unified voice for the diverse recycling and waste reduction programs underway in this state.

The Missouri Department of Natural Resources specifically stated at MORA's 2018 Annual Membership Stakeholder meeting that food waste reduction would be a target goal for 2018. Ozark Rivers fully supports the printing of a display using already developed design graphics promoting food waste reduction. Everyone across the state can take steps to stop food waste, it costs them nothing. But, the importance of that message can only be delivered through outreach and education and we applaud MORA in taking this initiative to move Missouri forward by providing a food waste reduction display at public events.

Please give every consideration to this funding request by MORA to secure their presence at the state fair, through roadway billboards and the purchase of a unique food waste display.

Best regards,

Tammy Snodgrass

Assistant Director/Environmental Programs Manager
