Region F Solid Waste District Board Member,

The Ad-Hoc Grant Review Committee met April 19th. In your packet are the 18 complete grant proposals with evaluation forms attached. Please evaluate these grants prior to the presentations scheduled on the 27th Board Meeting. The presentations should confirm your evaluation; however, any changes to your evaluation can be made at that time.

Attached are the grant proposals under considerations. We hope to start presentations at 10:45, break for lunch around 11:45, presume at 12:30pm and adjourn at 3:00pm.

Sub grantees have 5-7 minute presentations with questions from the board a total the 10 minutes per grant proposal.

If you have any questions feel free to contact Pioneer Trails Regional Planning Staff. Please bring your board packet with you containing the grant proposals to the board meeting April 27, 2010 at 9:30am.

Sincerely,

Debbie Brackman
